

Ride to Rudy's BBQ for meeting

Present: Glen and Nina Post, Fritz and Carolyn Besch, Caroline Kline, Dizzy Jake, Bob Bob Bob, Rob Lunn, Christina Sultan, Steve Whitmer, Augy Calijo, Fred Armijo, Pete Montoya, Peter Hipphauf

Fritz - Talked about the ride to Arkansas to do the Pigtail. Dates are currently set for May 10-20 2019. Mention was made of the many roads in the area that can be enjoyed! He made a request that emails go out to all board members, given a communications glitch.

Rob- Brought up the idea of a day ride to Roswell, as well as, doing other rides south, northwest and northeast. A pick up ride is one in which a member calls it, plans it, and makes the arrangements for it.

Carolyn- Asked about getting space on the main Harley Store board to post HOG doings.

Glen- Mentioned that mileage patches can be gotten through Chris in Service. He also talked about:

- how the Store and HOG are going to each try to plan one ride each per month
- how Diane is at the Store at least once a month to sew on patches(there is a charge)
- how more people were against a HOG Chapter name change than for it
- how more monthly surveys are in the works

He again brought up the idea of a Police style Rodeo as a fund raiser for Homeless Vets. It would cost \$20 per bike. There would a smaller charge for spectators, who would be expected to bring their own seating. Two groups have already expressed interest. Hopefully it can be done at the National Guard Armory! More research will need to be done about food trucks or other food sales.

Mentoring should be in place by June for people buying Harley's or dealer owned used bikes. The mentoring will involve helping new riders, and owners, get some miles under their belts and giving pointers if needed. Basically, what HOG members do for each other anyway.

Glen and Dizzy will be teaching regular motorcycle classes.

Ride information should be in the March Newsletter.

Adjourned and Seconded
